

Principal's Message

It is with great enthusiasm that I am working at Dilmun School, place that I call home. At the same time, I am conscious of our growing role in the larger global community, and how those international relationships help us thrive at home. The challenges we will face, the opportunities we will explore and the contributions we will make extend well beyond our own frontiers and I am eager to work with my colleagues from across the country and the world to once again prove that Dilmun is a quality orientated school.

There is a lot for me to learn about Dilmun 2015./2016 I have already been able to see that the qualities I loved about Dilmun as a student are strong: the dedication to creating a rich learning environment, the commitment to excellence, the pride of being part of the Dilmun community. I see also a community that has embraced the values of inclusion and respect for cultural and individual diversity.

. I want to learn of your aspirations and hear your thoughts on where you want to see Dilmun go over the next five years. I will not be able to meet everyone I would like to, but if there's an event missing that you think is important, or good advice you would like to share with me, please use the contact information on our websites and contact me to share all useful information for the benefit of the school.

I look forward to talking with you and learning from you.

Operation Manager's Message

Dear Parents,

We welcome you to our new academic year and look forward a successful year ahead. We ask for your continued support in ensuring that all children arrive to school neat and tidy in the correct uniform. At present we are approaching the end of our first term therefor final exams will be given in the coming weeks and we kindly as for your assistance in supporting your child's revision at home in order to prepare them for the exams.

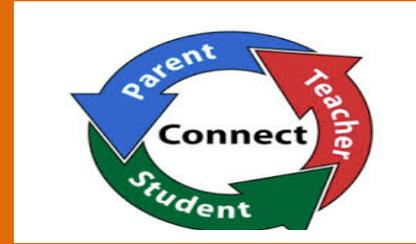

Tips for Parents

TIME MANAGEMENT SKILLS:

- Clarify with your student the concept that in secondary school students are expected to do a set amount of schoolwork each night (as opposed to just getting the homework done as quickly as possible).
- Juniors should be spending around 1 hour per night on school.
- Students should work on homework first, then assignments or test preparation. After this students need to look for other things they can do to enhance their understanding of their subjects, such as making study notes, doing extra questions, revising earlier topics. This is independent learning and is an important part of the expectations of Dilmun School.
- It is best to either have a timetable with slots allocated to schoolwork or else have students do a certain number of half hour blocks each night.

PTA CORNER

Partnerships between parents, educators and children work to enhance the child's success within as well as outside the walls of the school. We know that children learn more and have better lives when everyone in the school community works together to share thoughts and information; working together on projects to benefit all the children DILMUN. One of the most important organizations at DILMUN is the Parent Teachers Association (PTA).

Parent-Teacher Members

Judge Khalid Mahyoob

Dr. Mohammed Rafee

Dr. Waseem Yousif

Mr. Ali Eshaqi

Ms. Layla Mansoori

Ms. Shereen Ali Hussain

For the school year 2014-2015 the PTA established the following goals: the improvement of parental communication and involvement, training for health and safety practices, and the implantation of the PTA Family Fun Day event. We are looking forward to continuing the connection between the parents, teachers and students of Dilmun School in the years to come.

Should you wish to become a PTA member kindly send us your written letter, so we can reply to you in this regard.

Events of the Month

This month on Tuesday November 24th we shall be having our first Canteen Day of the year. We look forward to your continued support. Next month we shall be having our annual concert on Thursday December 10th and hosting our National Day celebrations on Tuesday December 15th. We will be inviting parents along on this day. As December 15th will also be our last day of term, school will be closing at 12 noon.

Special Announcements

We have the pleasure in informing you that Dilmun School have finalized their Board of Directors and Parent Teachers Association.

Science Project Grade 5

Thank You!
